

Getting an Enrichment Certificate for a Gears 2 Robots Program

Step 1 - Talk with your child's teacher about receiving an Enrichment Certificate for the amount of the program. You are able to get an Enrichment Certificate for up to 3 months worth of programs. Please state the breakdown of how you would like your funds distributed.

Step 2 - Once the school generates the Enrichment Certificate, bring it to the Tech Academy in person or email it to us at info@gears2robots.com. Before attending the desired program, create an account on our website. To do this, go to www.gears2robots.com and click "Registration." This will give us your phone number and email address for communication.

Step 3 - Once we receive a purchase order, you will receive an email confirming that we received it. Then you will be ready for one of our programs.

If you have any questions, feel free to contact us at
