

Getting a purchase order for a Gears 2 Robots Program

Step 1 - Talk with your child's teacher about receiving a purchase order for the amount of the program. You can get multiple purchase orders at a single time. If you want to sign up for multiple programs, they will need to be separate purchase orders.

Step 2 - Once the school generates a purchase order, it will be sent to us. This process will take anywhere from 1 to 5 business days. In the meantime, create an account on our website. To do this, go to www.gears2robots.com and click "Registration." This will give us your phone number and email address for communication.

Step 3 - Once we receive a purchase order, you will receive an email confirming that we received it. Then you will be ready for one of our programs.

If you have any questions, feel free to contact us at
