

Getting a JCS Student Voucher for a Gears 2 Robots Program

Step 1 - Create an account on our website. To do this, go to www.gears2robots.com and click "Registration." Register for program of choice (Class, Tutoring, Instructional Monthly Package). Instructional Monthly Package is equivalent to memberships for Julian Charter School students, register for IMP by selecting 'Charter Schools' semester during registration.

Step 2 - Submit a purchase order request with Julian Charter School through EF or directly through Julian Charter School vendors program. Please specify the program and include details in 'notes' section of the purchase order request.

Step 3 - Once we receive a purchase order, you will receive an email confirming that we received it. Then you will be ready for one of our programs.
